

# DUO COLLECTION

May 27<sup>th</sup>, 2018

The Duo Collection incorporates acetate design elements with surgical steel and titanium for the perfect fusion of delicate style and durable strength.

Sourced from hand-made cellulose acetate imported from Italian designer Mazzucchelli, the collection delivers the highest-grade materials with patented design in a frame that looks, feels, and performs unlike any other.

This collection is launched with a new campaign inspired by the line, framing subjects against mirrors to echo the nature of this all new design.

## ABOUT OVVO

As one of the most innovative brands in the eyewear market today, OVVO Optics is a trailblazer in the industry, combining high-quality, European craftsmanship, with modern, technical design. OVVO uses the best materials, including steel and titanium sourced from Sweden, and laser-cut in Germany. The glasses are then assembled in Poland, with a meticulous production process that's been refined over decades.
